

Alyssa Spencer
WIA-1503

Description:

The theme for my site is for a Full Sail graduate. He runs a local recording studio in Toledo, OH with his two partners, and is looking for a functioning website. What I have completed will be continued to be worked on until the business is content with the finished product. The product so far is only a small promo of what the website will be.

Requirements for Website: (4 of 5 were used)

Interactive Map- Contact Us page

Interactive Image Gallery- Gallery page

Use of HTML5 Video/Audio tags- Gallery for Video Tag, Sample Work for Audio Tag

2 uses of Canvas tag- All pages use canvas tag except for 'frontpage.html'

******All images/soundwork were taken at Sound Spot Studios**
